

## OUR COMPANY SERVICE

**General Contracting** We handle all the details—permits, schedules, subcontractors—so you don't have to. One point of contact, fewer delays, clear communication.

### Residential & Commercial Construction

- Custom homes and room additions
- Commercial spaces that inspire
- Major renovations and remodels
- Energy-efficient features

**Electric, Plumbing & HVAC** Licensed professionals ensuring your building's systems work flawlessly:

- Complete electrical systems and smart home wiring
- Full plumbing installations and repairs
- Heating and cooling solutions that save energy

**Masonry, Tile & Marble** Our artisans turn natural materials into stunning features:

- Brick and stonework with character
- Precision tile and mosaic designs
- Marble installations that become conversation pieces

**Painting Services** The finishing touch that transforms everything:

- Interior color schemes that welcome you home
- Exterior finishes that enhance curb appeal
- Proper preparation for results that last

**Interior Design & Renovation** Spaces that reflect your unique personality:

- Thoughtful space planning and color consultation
- Kitchen and bathroom transformations
- Complete home refreshes
